MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Clandestine Services Career Trainees

1. In your memorandum of 19 June 1968 to the Executive Director-Comptroller on this subject, you noted that "traditionally the proportion of internal candidates for any CT class has been approximately 15 per cent, therefore we would expect that for FY 69 and FY 70 internal candidates from the Clandestine Services would number about six each."

2. We believe that there should not be any hard and fast ratio of internals to externals. We would hope that all candidates who meet our standards would be accepted.
